1.7 Wearable Technology

Policy statement

We take steps to ensure that there are effective procedures in place to protect children, young people and vulnerable adults from the unacceptable use of information communication technology (ICT) equipment or exposure to inappropriate materials in the setting.

Procedures

We ask that staff do not wear smartwatches whilst in the nursery setting, if smartwatches are worn, they **MUST** be on airplane mode at all times. The Preschool Managers have the right to spot check that this is the case.

If a member of staff is found to have a smartwatch on and not in airplane mode it will be removed and stored in the office until the end of their session.
